

COUNTERCLAIMS AGAINST LISA BARBOUNISINTRODUCTION

Defendant/Counterclaim Plaintiff The Middle East Forum (“MEF”), through its undersigned counsel, Cozen O’Connor, for MEF’s Counterclaims against Plaintiff Lisa Barbounis (“Plaintiff,” “Counterclaim Defendant” or “Barbounis”), states as follows

1. These Counterclaims are brought to remedy the damage caused by Barbounis through her planning and execution of a scheme to abandon her duties as an employee and director of MEF, to illicitly divert MEF funds from their rightful recipients and into the hands of her paramour, and to cover her tracks with deception and threats.

2. As MEF has long suspected, and as the evidence has now revealed, in 2018, Barbounis, a married woman and mother of young children, hatched a plan to emigrate to the United Kingdom to start a new life with a man named Daniel Thomas, whom she met through her work at MEF, and with whom she soon after began a sexual affair.

3. ~~Apparently motivated by her desire to move to the United Kingdom and pursue her relationship with Thomas, Barbounis developed a conspiracy to pay for this scheme by diverting MEF funds to Thomas, by using MEF funds and resources to travel to the United Kingdom and Europe to spend time with Thomas, and ultimately, by levying sexual harassment and assault allegations against MEF and its director, Gregg Roman (“Roman”) in the hopes that such allegations would lead to a large financial settlement that would fund her new life in the United Kingdom. See Exhibit A.~~

4. As her relationship with Thomas fell apart and her scheme was at risk of being revealed to MEF and others, Barbounis resorted to an extended campaign of threats against

Jazmin Bishop (“Bishop”), Thomas’s girlfriend, fiancée, or wife² and the mother of his children, even invoking the power of the office of her current employer, Congressman Randy Weber, in an effort both to preserve her adulterous relationship with Thomas and to ensure that her illegal diversion of MEF funds to Thomas would remain hidden.

5. Barbounis’ conduct in carrying out her scheme has been both extreme and outrageous, and the harms that Barbounis has caused MEF and Roman are substantial.

6. Having finally uncovered the evidence of Barbounis’ unlawful conduct, MEF now seeks, through these counterclaims, to begin the process of repairing the damage she has caused.

BACKGROUND

A. Barbounis Begins Working For MEF.

7. Barbounis began her employment with MEF on or about October 16, 2017.

8. She was hired as an Executive Liaison for MEF and continued in that role until January of 2019.

9. From the inception of her employment until November 5, 2018, Barbounis reported to Defendant Gregg Roman, the Director of MEF.

10. Barbounis and Roman quickly developed a friendly working relationship, and Barbounis liberally shared details of her personal life with Roman, including the most intimate information about her health, her emotions, her marriage, and her children.

11. In March of 2018, Barbounis and Roman travelled to Israel together on MEF business.

² Thomas refers to Bishop alternatively as his girlfriend and fiancée. Thomas’ father, in written correspondence with Barbounis, refers to Bishop as Thomas’ wife.

12. Barbounis encouraged this intimacy. For example, on March 20, 2018, she wrote to Roman, "You should feel comfortable telling me when you are upset," and, "Ok. I'm focused but I want you to know you should feel comfortable telling me when I piss you of. (sic)" *See* Exhibit B.

13. Barbounis often engaged in playful banter with Roman via text message, often using flirtatious language and emoticons, and calling him "baby." *Id.*

14. Barbounis sent Roman sent personal videos of her children crying, she complained to him about the burdens of being a mother, detailed to him how she despised her in-laws in Florida, and graphically recounted how she had been domestically abused by her husband.

15. At the same time, MEF and Roman were planning to start a social welfare entity separate and apart from MEF and shared his plans with Barbounis, who volunteered to assist him with the founding of this 501(c)(4) organization.

16. In response to this offer, on July 12, 2018, Barbounis sent Roman a list of items that he would need for creating a 501(c)(4) organization.

17. On July 26, 2018, Barbounis communicated with Ari Morgenstern, Director of Communications and Policy for the Christians United for Israel, and informed him of Roman's plans to start a new social welfare organization.

18. In August 2018, Roman authorized MEF's attorneys and representatives to speak with Barbounis about the new organization.

19. As a result of her involvement, Barbounis was acutely aware of MEF's and Roman's plans to start a new 501(c)(4) organization, and how important this new organization was to him.

20. Simultaneously, Barbounis was competing with her coworker, Marnie Meyer, for status and power within MEF.

21. Barbounis complained to Roman when she found out that Meyer might get an assistant before Barbounis: "Is it the assistant thing? She said you promised her Delaney and she will be pissed if someone gets an assistant before her. Her and I have been getting along pretty well, or so I thought, so I'm rather shocked to hear she was shooting down having my role modified. you are my boss and she is HR. How is it that she gets to make performance judgments? I know we are a small place but we need structure. I want to make my time here successful for both me and MEF. I want to live up to my potential. I know you can help me achieve that. How 'can we fix this?'". *See Exhibit C.*

22. Nevertheless, as of September 17, 2018, Barbounis remained confident and secure in her position with MEF, stating, "...everyone in here loves me, Tricia, Delaney, Matt, Thelma. Cliff, Sam, and EJ all love me. No one else [other than Marnie Meyer] has a problem with me..." *See Exhibit D.*

23. At the same time, Barbounis continued to share intimate medical and personal details about her life with Roman, including information about her various health concerns, and personal information about children and husband.

24. Through October 2018, Barbounis seemed to be happy in her role at MEF and in her working relationship with Roman, and never indicated to Roman or anyone else at MEF that she had any problems or issues of any kind with Roman or anyone else at MEF, except Meyer.

B. Barbounis Meets Daniel Thomas, Begins A Sexual Affair With Him, And Hatches A Plan To Emigrate To The United Kingdom Using MEF Funds.

25. In May of 2017, MEF began working with Stephen Christopher Yaxley-Lennon, better known by his alias Tommy Robinson ("Robinson"), a United Kingdom-based activist.

26. In the Spring of 2018, Barbounis began working on MEF's behalf in support of Robinson.

27. Barbounis' first point of contact was with Daniel Thomas ("Thomas"), another United Kingdom-based activist, who was organizing a rally to support Robinson.

28. At the behest of Barbounis, MEF provided Thomas with US\$32,000 (all dollars at USD) to fund a rally to show support for Robinson, who had recently been jailed for contempt of court.

29. MEF entered into a contract with Thomas that detailed the methods and means by which MEF's money would be spent and detailed the specific costs of the rally MEF would be funding. *See* Exhibit E.

30. On or about June 8, 2018, Barbounis traveled to London with Patricia McNulty, another MEF employee, to supervise and attend the rally that MEF had funded. *See* Exhibit F.

31. While in London for the rally, Barbounis met Thomas in person for the first time.

32. Almost immediately, Barbounis began an adulterous sexual relationship with Thomas.

33. Almost immediately, Barbounis began neglecting her job duties and responsibilities to MEF as she devoted substantial attention to her sexual relationship with Thomas.

~~34. — At the time of the rally or shortly thereafter, Barbounis became aware that, of the \$32,000 provided to support the Robinson rally, Thomas had misappropriated at least \$7,000 for his own personal use. *See* Exhibit A.~~

35. This misappropriation of funds was not authorized or approved by MEF or Roman, who until 2020 had no idea that it had occurred because Barbounis had effectively hidden her illegal actions and threatened others who attempted to reveal her misdeeds to MEF.

~~36. — Thomas used the money from MEF to help move his family into a newer home in a nicer area. *Id.*~~

~~37. — Barbounis repeatedly assured Thomas that she would not tell MEF management about his misappropriation of funds. *Id.*~~

38. Despite her position with MEF and her duties to the organization, Barbounis never told Pipes or Roman that MEF's monies had been misappropriated.

39. Between June 2018 and November of 2018, Barbounis traveled on several occasions to the United Kingdom to continue her affair with Thomas.

40. On information and belief, Barbounis' trips included but were not limited to a visit with Thomas in July of 2018.

~~41. — Thomas reports that Barbounis showed up "unannounced" in the United Kingdom to visit him. *Id.*~~

~~42. — During these visits, Barbounis and Thomas would stay together in the same hotel room (sometimes unwittingly paid for by MEF), engage in sexual relations, and use illegal drugs. *Id.*~~

~~43. — Thomas reports that he and Barbounis would use cocaine "every time I saw her," and "every time we were out, she would ask me to get it and we would do cocaine all night." *Id.*~~

~~44. — Thomas estimates that he and Barbounis would use "five, six hundred dollars of cocaine every evening." *Id.*~~

~~45. — Barbounis also sent Thomas money and other resources at various times, including approximately \$1,000 in cash and a credit card that Thomas used to buy Christmas presents for his children. *Id.*~~

46. The source of these funds is presently unknown to MEF, but its investigation is continuing.

47. Due to Barbounis' acute financial problems during this timeframe, including a six-figure IRS lien, MEF believes it possible that the money Barbounis sent to Thomas belonged to MEF.

~~48. — During this time, Barbounis told Thomas that she was unhappy with her family life, her husband, and her job, and that she wanted to leave the United States and move to join him in the United Kingdom. *Id.*~~

~~49. — Thomas reports that Barbounis confided in him that, to fund her anticipated move to the United Kingdom, she had concocted a plan to enrich herself illegally at the expense of the Middle East Forum by asserting that Roman had inappropriately pressured her to engage in sexual activity with him, and that she would make "loads" from this scheme. *Id.*~~

~~50. — Thomas reports that Barbounis "wanted to leave her husband" and "come to the United Kingdom," buy a home and continue her relationship with Thomas. *Id.*~~

~~51. — Thomas reports that Barbounis told him, "I'll say, 'Gregg's done this, Gregg's done that. And then I'm going to take it to court and get, and they'll have to pay out. They'll pay me loads. They'll pay me loads, and then I'll have enough money to do whatever the hell we want to do.'" *Id.*~~

~~52. — Thomas told Roman that Barbounis "had it in for you, Gregg. She had it in for you. From, from the time we ever spoke about you, she wanted your job. And then when she~~

~~realized she couldn't get the job or something, then she wanted to go down the route of destroying you, destroying you and making 'loads' of money from it. I had many conversations about that with her, um, over that, so that w—that's definitely something that was, uh, was definitely on her, on the plate from very early on from me speaking to her." *Id.*~~

53. In October of 2018, Barbounis traveled to Bedford, United Kingdom to attend a dinner and demonstration to support Robinson. *See* Exhibit G.

~~54. While in the United Kingdom, Barbounis stayed in a hotel with Thomas and continued her adulterous sexual affair with him. *See* Exhibit A.~~

55. Due to her many and protracted trips to the United Kingdom and her relationship with Thomas, Barbounis' work performance at MEF began to suffer and her mistakes and errors increased, including mathematical errors involving seven-figure disparities. *See* Exhibit H.

56. On October 30, 2018, Barbounis and Meyer got into an argument because Meyer, at Roman's request, was documenting Barbounis' work performance failings.

57. The following day, Meyer and Barbounis met to discuss these issues and, in keeping with the scheme she had divulged to Thomas, Barbounis for the first time alleged that Roman had inappropriately pressured her to engage in sexual activity with him during their trip to Israel some seven months prior.

58. Based in part on Barbounis' allegation, Meyer prepared a handwritten note to Daniel Pipes, President of MEF, informing him of alleged issues in the office, including those raised to Meyer by Barbounis.

59. Pipes investigated the allegations raised by Meyer, including those made indirectly by Barbounis, and called a staff meeting for November 5, 2018.

60. On November 4, 2018, Pipes sent an email to Barbounis stating, "I have investigated this matter and found the following: You say that Gregg made unwarranted sexual advances toward you. Gregg maintains that he never made such advances." *See* Exhibit I.

61. On November 4, 2018, Barbounis responded to Pipes's email stating that Roman's "inappropriate behavior is the least of my concern," and raised new grievances about Roman's "absurd requests, mismanagement, outrageous expectations and demands . . . abusive tone, language, never-ending lies and manipulation [which] have the entire office in a constant state of disarray." *See* Exhibit J.

62. Pursuant to the scheme she had divulged to Thomas, Barbounis informed Pipes that she desired a change in job duties and that she believed it necessary for Roman to be removed from his position. *Id.*

63. On November 6, 2018, based in part on Barbounis accusations against Roman, Pipes set new conditions for Roman's employment, which included: "No involvement in the Forum's accounting, finances, office affairs, personnel issues, and property management. No authority over the Forum's administrative staff. No authority to approve expenses of projects or initiatives. No authority to hire or fire Forum employees, including project directors. No authority to offer or approve contracts on behalf of the Forum. No authority over Middle East Forum Education Fund monies. No access to the Forum's Philadelphia office. No contact with the Forum's female employees outside of business hours other than using Forum e-mail. That means no after-hours telephone calls, texts, other e-mails, social media, drinks, meals, outings, trips, shared lodgings, and so forth. And during business hours, interactions will be business-related, within reason." *See* Exhibit K.

64. Pipes also informed Roman that, based in part on Barbounis' allegations against him, he canceled his prior plan for Roman to succeed Pipes as principal and chief executive officer of MEF in 2019.

65. Given his newly diminished role and with MEF authorization, Roman began making plans to activate the 501(c)(4) organization that he had discussed previously with Barbounis, and began actively planning and raising money for the new organization.

C. Barbounis' Relationships With Thomas Turns Sour.

66. On November 23, 2019, Daniel Thomas's father, Russel Thomas, wrote to Barbounis aware of the MEF funds and asking her to make this a "regular" payment. *See* Exhibit L.

67. Russel Thomas wrote: "Daniel has a wife and three children. He is dedicating himself to the developing [Tommy Robinson] movement but at the financial detriment of his personal life. I know you have recently financially help him which is much appreciated, however, Daniel needs, or more importantly his family needs some kind of financial stability. Would it be possible for you to arrange some form of 'regular' financial assistance directly to Daniel or perhaps his wife?" *Id.*

68. On December 10, 2018, Pipes wrote to Barbounis with a concern that Barbounis was neglecting her duties to MEF: "I have the sense that your position at MEF is distinctly less important than your activities with Tommy Robinson. This is not good." *See* Exhibit M.

69. Pipes added that he was concerned Barbounis had taken a long period off from work to do work for Robinson without telling Pipes or asking him whether doing so was permissible. *Id.*

70. Barbounis acknowledged the validity of Pipes's concerns: "I can see why you would feel that way. And all I can do is apologize and do better. The Tommy stuff was something I was good at. I finally felt like I was contributing. I can see why it looks the way it does. I guess I got carried away. I thought I was doing the right thing. Certainly wasn't trying to neglect MEF or hide things from you." *See* Exhibit N.

~~71. Despite the representation that she was not trying "to hide things" from Pipes and MEF, Barbounis was doing precisely that, as she did not disclose that Thomas had misappropriated approximately \$7,000 USD that MEF provided for the Robinson event. (this paragraph is based upon Paragraph 3 (Exhibit A) above).~~

72. Barbounis also consistently disregarded the admonition from Pipes that she focus on MEF work.

73. Barbounis took a trip from January 28 to February 5, 2019 to Brussels, Belgium to continue her sexual affair with Thomas. *See* Exhibit O.

~~74. While there, Barbounis stayed with Thomas in a hotel room and engaged in sexual activity and illegal drug use. *See* Exhibit A.~~

~~75. While in Brussels, Thomas told Barbounis that he was suspending or ending their sexual relationship. *Id.*~~

76. Barbounis reacted very poorly to Thomas suspending or ending their sexual relationship and protested vehemently against his decision.

77. On February 16, 2019, Thomas wrote Barbounis: "You're making things very intense for me right now Lisa, I don't like the direction all of this is taking. I've asked my father please help me to receive the income I need to do this, I need you to tell me how much money I've taken so I can start making payments to you. I do absolutely appreciate everything you have done for me Lisa, been my rock at many of times. But I am very stressed at the moment with

everything, I'm shouting at people I shouldn't that's just not you. I'm reacting in a way I don't feel is right. But I need some space between us for a while. And get things right for the direction MEF want to take. My whole life is slowly falling apart, it's time I did something about it." *See* Exhibit P.

~~78. — Barbounis refused to accept Thomas's decision to suspend or end their sexual relationship and threatened to tell Bishop, Thomas's girlfriend, fiancée, or wife, about their affair. *See* Exhibit A.~~

79. Barbounis would soon make good on this threat.

80. On March 7, 2019, Barbounis acknowledged that the money that Thomas had taken from MEF was misappropriated and threatened to reveal what he had done: "Now that I know I'm obligated to tell my work [MEF]. What do I do? That's theft." *See* Exhibit Q.

81. Despite this knowledge and threat, Barbounis never told MEF about the stolen funds.

~~82. — Instead, Barbounis used her knowledge of the stolen funds as leverage over Thomas in an effort to force him to continue their sexual relationship. *See* Exhibit A.~~

~~83. — Barbounis expressly threatened Thomas that, if he refused to continue their sexual relationship, she would inform MEF about the stolen funds. *Id.*~~

~~84. — Thomas reports that when he told Barbounis about his intention to end their sexual relationship, Barbounis replied that "she was somehow going to make it come out and fuck my life up and get me, uh, you know, using that as a, as a way of trying to keep me in contact with her." *Id.*~~

85. Barbounis' threats to Thomas were effective, as Thomas relented and allowed Barbounis to visit him in the United Kingdom once more in Spring of 2019.

86. When asked about this trip, Barbounis told Pipes that her trip to visit Thomas was actually a vacation with her children. This was a falsehood.

87. Meanwhile, Barbounis approached Pipes and requested that Roman be invited to return to his prior administrative role at MEF, stating that MEF needed Roman's direction and leadership moving forward, and that she was impressed with the change in Roman's behavior. *See Exhibit R.*

88. After Barbounis' visit with Thomas in Spring of 2019, Thomas once again terminated their sexual relationship, thwarting a major component of Barbounis' plans to move to the United Kingdom.

~~89. Incensed by Thomas's decision to end their relationship and instead remain with Bishop, Barbounis launched an extended campaign of extreme harassment and psychological abuse directed toward Bishop, the mother of Thomas's three children. *See Exhibit A.*~~

~~90. Barbounis falsely told Bishop that her affair with Thomas was continuing in an effort to undermine Bishop's trust in Thomas and her efforts to rebuild their relationship. *Id.*~~

91. Barbounis made many other harassing and derogatory comments to Bishop in writing, to embarrass, threaten, ridicule, intimidate, and silence Bishop which include the following:

- "But you know deep down because you're a fucking idiot. I'm telling you right now you keep this up you're gonna lose this one. And I am totally enjoying it." *See Exhibit S.*
- "He dogged you to me in texts you read. He slept with me and came home to you. He posted pics of your kids with our songs. And lied to you the WHOLE time. I'm the one who told your everything and you still think I'm the liar. You are totally insane." *Id.*
- "I am going to galas with the Vice President today. You think I care about two welfare losers [sic]". *Id.*

- “I’ll protect him but don’t want him. I have no relationship with you. The only reason I ever showed you anything in the first place was because I was sick of all the lies. But since you refuse to go anywhere there’s not benefit in that for me. It’s all a cost benefit analysis. And there is no return on my investment from showing you anything.” *Id.*
- “That’s why it’s so funny for me you get all angry and call me all these names but deep down it’s all because you know how awesome I am and it scares you. You see me as a threat to your life. And if you didn’t think that I had any power over you or Danny you wouldn’t be messaging me.” *Id.*

92. The harassment of Bishop by Barbounis also included voice mail messages.

93. In voice messages to Bishop, Barbounis said the following, among other things:

- “Oh, but I do. I really do, because you were so pathetic and sad, you told me all of it. You poor thing. Have another abortion, you whore [laughter]. *See Exhibit T.*
- “I went to an Ivy League school twice and I work for Congress, she’s plenty proud. You mom’s a junkie that puts fucking drugs up her snatch. What a loser.” *Id.*
- “Ha! Absolutely, positively not. Absolutely not. And I have proof. If he wants to call me, tell him. Because I’m free to ruin both your lives. It’s not a problem for me at all.” *Id.*
- “It’s pathetic. Really is. You can’t stop yourself. No self esteem or self control. No sense of pride or self worth because there is no reason for it. You are trash. [laughing emoji].” *Id.*

94. On April 12, 2019, MEF received negative press coverage in the United Kingdom as a result of Barbounis’ continuing unauthorized political work with Robinson. *See Exhibit U.*

95. In response, Pipes confronted Barbounis about her political associations and frequent travel, his concern that she did not clear her continued work for Robinson with him, and his belief that she was too caught up in and focused on her activities with Robinson at the expense of her work for MEF. *See Exhibit V.*

96. Pipes asked that Barbounis not surprise him with her travels and made clear that he was not convinced that she was focused on the tasks agreed upon in November 2018. *Id.*

97. On May 6, 2019, Bishop, fed up with Barbounis' harassment and denigration, wrote to Pipes: "Are you aware that Lisa was and possibly still is having an affair with Danny [Thomas]? I have all the evidence feel free to ask and I will send it." *See Exhibit W.*

~~98. Thomas reports that, around this time, Bishop called Roman and left him a voice mail on his office machine concerning the affair between Barbounis and Thomas, but Barbounis intercepted the voice mail message and deleted it before Roman could listen to it. *See Exhibit A.*~~

99. Despite prior warnings from Pipes, Barbounis continued to work for Robinson, now out of jail and running for a seat in the European Parliament.

100. In May 2019, as a result of her work for Robinson, MEF received significant news coverage claiming that MEF was "meddling in British/EU politics," and referring to Barbounis as a Director of MEF. *See Exhibit X.*

101. An article in the Guardian newspaper on May 17, 2019 spoke of Barbounis in the Robinson campaign, the author noting, "There has been a more surprising presence at Robinson's rallies, however: Lisa Barbounis, a senior executive of the conservative US thinktank the Middle East Forum, has been a central figure on Robinson's campaign team and present at many of his rallies, the Guardian has learned. Her exact role is unclear but Barbounis, who says she has worked on several Republican campaigns including John McCain's run for president in 2008, has been on the trail with Robinson for about a fortnight." *See Exhibit Y.*

102. As a 501(c)(3) organization, MEF is subject to strict legal controls concerning its use of funds and involvement in political activities. Barbounis' activities with Robinson violated these controls and threatened to cost MEF its non-profit status.

103. As a result of her actions that jeopardized MEF's non-profit status, Pipes emailed Barbounis on May 28, 2019, concerning her poor work performance and political association: "In my April 16 note to you, I wrote 'Please don't surprise me with your travels.' But then it turns out the Guardian had a mole who spotted you at three separate Tommy Robinson rallies; that definitely counts as a surprise. From now on, you need express permission from me before engaging in MEF travel and you must also clear with me any personal travel that includes a political agenda." *See Exhibit Z.*

104. Pipes also reprimanded Barbounis for her continued poor work performance, including her failure to get articles out on time to MEF subscribers; her failure to improve her public stature; her failure to improve the composition of MEF's staff; her failure to increase publications; her failure to hold monthly conference calls for subscribers; her failure to increase YouTube videos; and her failure to make weekly reports. *Id.*

105. Barbounis, however, continued to disregard Pipes' directives.

106. On June 5, 2019, Pipes again wrote to Barbounis: "The Guardian article from May 17 has a long, insinuating paragraph about you along with a picture of you. The clear implication is that MEF supports Tommy Robinson's campaign. This rates as both a surprise and an unwelcome complication. The article could entirely disappear but it could also pop up in the future and make trouble for us. I do not want potential trouble hanging over us, so am displeased. You and I have already discussed the matter of your affiliating MEF too closely with Tommy Robinson and we reached an informal agreement that you would stay away from his efforts. Given this development, I am now imposing a formal limitation on you: No campaign work, even during your private time, without clearance from me." *See Exhibit AA.*

107. Two days after receiving this admonishment, Barbounis filed an Charge of Discrimination against MEF with the Equal Employment Opportunity Commission.

108. Disregarding Pipes' clear instructions, on July 1, 2019, Barbounis appeared in a press release concerning Robinson's political campaign. The press release included full contact information for Barbounis. *See* Exhibit BB.

109. On July 16, 2019, Barbounis again ignored Pipes' instructions and used MEF resources to send out political communications in her role as "Director of Communications" for TR.News, where TR stands for Tommy Robinson. *See* Exhibit CC.

110. On July 24, 2019, Barbounis completed an application and submitted her resume for a job with the United States Congress. As part of her application, Barbounis knowingly and falsely stated that, "Since entering my role as Director of Communication for the Middle East Forum I have increased our social media engagement by 32%. From June 2018 through June 2019, I helped place 1,128 articles by 56 experts in 97 outlets, from D.C.'s influential The Hill to the Wall Street Journal, from The Washington Times to Foreign Policy. Additionally, I arranged for 27 of our experts to be interviewed 92 times by 81 media outlets on both radio and television ranging from outlets like I24 News and Al Jazeera to Fox News." *See* Exhibit DD.

111. To give one example of the falsehood: all the articles in the Wall Street Journal, The Washington Times, and Foreign Policy were arranged without any involvement by Barbounis.

112. Despite these false representations, Barbounis submitted her application and certified "that all of the foregoing information that I supplied in this submission form and resume is correct and complete. I UNDERSTAND THAT ANY FALSIFICATION OR OMISSION OF ANY INFORMATION CONSTITUTES GROUNDS FOR ANY HOUSE OF

REPRESENTATIVES EMPLOYER TO NOT EMPLOY ME OR TO DISMISS ME FROM EMPLOYMENT." *Id.*

113. Upon information and belief, based on these representations, Barbounis secured employment as Director of Communications in the United States House of Representatives for Congressman Randy Weber.

114. On August 7, 2019, Barbounis resigned from MEF to accept this position.

115. Upon information and belief, her work in support of Robinson continues to this day.

~~116. —Thomas reports that Barbounis used her position in the House of Representatives in October of 2019 to threaten Bishop and Thomas, including statements that she attended events with the Vice President of the United States, was now “in a position of power” and asking, “Do you know who I work for?” See Exhibit A.~~

117. Upon information and belief, Barbounis used her position as Director of Communications for a member of the House of Representatives to induce fear in Thomas and Bishop in an effort to induce Thomas to continue their relationship and to prevent Thomas or Bishop from notifying MEF about the funds misappropriated by Thomas with Barbounis’ knowledge.

118. On September 24, 2019, Matthew Ebert, boyfriend of Marnie Meyer, called Roman via an unlisted, private number as an “anonymous source” with the stated intention of “blowing the lid off an employment litigation action by former employees” of MEF. *See Exhibit EE.*

119. Ebert told Roman that the women involved in the lawsuit are all “banking on a large settlement,” and that the other women involved had questioned Barbounis’ motivations for suing. *Id.*

~~120. The following day, Ebert called Roman ten times to convey the same message, which aligns in all significant detail with what Thomas has independently reported to MEF.~~

121. Although neither MEF or Roman knew the identity of the caller at the time the calls were placed, Ebert has since admitted in testimony under oath that he placed the calls to Roman. *See* Exhibit FF.

122. On October 27, 2019, Barbounis filed the instant lawsuit which, on information and belief, was based on her plan, as divulged to Thomas, to bring false allegations against MEF and Roman for the purpose of obtaining a monetary settlement to fund her move to the United Kingdom.

~~123. The allegations in Barbounis’ complaint are substantially similar to those she told Thomas that she planned to make up against MEF and Roman.~~

124. Subsequent to her resignation from MEF, MEF discovered that Barbounis had misappropriated MEF trade secrets, which is the subject of a separate lawsuit.

125. On July 17, 2020, Thomas provided MEF with records of Barbounis’ travel to Europe, which aligned with the previous information that he had provided. *See* Exhibit GG.

126. On July 18, 2020 Thomas agreed to provide his phones to a third-party electronic discovery vendor for imaging, searching and review because, according to Thomas, the phones contained information relevant to MEF’s claims and defenses. *See* Exhibit HH.

127. Thomas also agreed to sit for a deposition voluntarily, and to answer any questions posed to him under oath.

128. Two days later, after the electronic discovery vendor had arranged for pickup of Thomas' devices and in the midst of a discussion of about how to secure pickup on Thomas' phones, Thomas abruptly cut off contact with MEF without explanation, stating, "I'm sorry I can't tell you why but I can't be involved in this anymore. Please don't contact me again!" *Id.*

129. Less than an hour later, Barbounis' counsel baselessly accused Roman of attempting to manufacture evidence.

130. MEF is currently attempting to ascertain the reason for Thomas' abrupt and unexplained decision to cut off communication and to rescind his agreement to sit for deposition and provide documents.

COUNTERCLAIM COUNT I
Breach of Duty of Loyalty

131. MEF repeats and realleges each of the previous paragraphs as if set forth fully herein.

132. As an employee and director of MEF, Barbounis had a fiduciary duty to MEF.

133. As such, and as an employee and director of MEF, Barbounis also had duty to act in good faith and solely for the benefit of MEF in all matters for which she was employed.

134. As set forth in detail above, Barbounis intentionally failed to act in good faith and solely for the benefit of MEF in all matters for which she was employed in numerous ways, but specifically by failing to disclose to MEF that Thomas had misappropriated MEF funds in breach of a contract with MEF, and by carrying out political activities on behalf of Robinson and others on MEF's time and using MEF resources.

135. Barbounis' failure to act solely for MEF's benefit was a real factor in injuries to MEF, including a loss of its resources resulting from Thomas's misappropriation of MEF funds and a loss of its resources resulting from MEF paying Barbounis' salary while Barbounis was

working not for MEF but for other individuals and entities and traveling using MEF's monies on false pretenses.

136. Barbounis' actions in breaching her duty of loyalty to MEF were knowing and intentional.

137. Barbounis' actions in breaching her duty of loyalty to MEF were extreme, outrageous, and shocking to the conscience of a reasonable person.

138. MEF suffered actual damages as a result of Barbounis' breaches of her duty of loyalty to MEF.

139. MEF is entitled to punitive damages as a result of Barbounis' breaches of her duty of loyalty.

COUNTERCLAIM COUNT II
Civil Conspiracy

140. MEF repeats and realleges each of the previous paragraphs as if set forth fully herein.

141. Barbounis conspired with Thomas and, upon information and belief, other persons or entities, to deprive MEF of the benefit of its funds.

142. Barbounis and her co-conspirators acted with a common purpose to misappropriate and conceal the misappropriation of MEF funds designated for a specific purpose.

143. Specifically, Barbounis and her co-conspirators conspired to facilitate and conceal the misappropriation of MEF funds by Thomas for improper and unlawful personal use.

144. Barbounis committed overt acts in pursuance of this common purpose, including making misrepresentations to MEF concerning the misappropriation of funds, facilitating

Thomas' misappropriation of those funds, and assisting Thomas in concealing the misappropriation of those funds from MEF.

145. As a result of Barbounis' actions, MEF suffered actual legal damage, including but not limited to the loss of the funds misappropriated, the loss of the benefit of the funds which were issued for a designated purpose, and the loss of the benefit of its contract with Thomas concerning the use of the funds.

146. As set forth above, Barbounis and Thomas acted in concert to plot, plan and conspire to carry out the above-described misappropriation.

147. Barbounis' actions in breaching conspiring with Thomas and others were, by her own admission, knowing and intentional.

148. Barbounis' actions in conspiring with Thomas and others were extreme, outrageous and shocking to the conscience of a reasonable person.

149. MEF is entitled to punitive damages as a result of Barbounis' actions in furtherance of the conspiracy.

COUNTERCLAIM COUNT III **Fraudulent Misrepresentation**

150. MEF repeats and realleges each of the previous paragraphs as if set forth fully herein.

151. Barbounis misrepresented to MEF that her trip to the United Kingdom in Spring of 2019 was a family vacation with her children.

152. In actuality, as MEF only recently discovered, Barbounis traveled to the United Kingdom to continue her sexual affair with Thomas.

153. In making this false misrepresentation, Barbounis intended that MEF would act to maintain her employment status, job duties, and compensation with MEF.

154. Barbounis' misrepresentation was intentional and fraudulent in nature.

155. As Barbounis' employer, MEF was justified in relying on the misrepresentation by Barbounis.

156. MEF suffered actual damages as a proximate result of its reliance on Barbounis' fraudulent misrepresentation, including but not limited to loss of monies paid to Barbounis as a faithless servant.

REQUEST FOR RELIEF

WHEREFORE, having alleged these Counterclaims against Barbounis, MEF requests that the Court award the following relief:

- (a) An award of damages to MEF to be proven at trial in an amount in excess of \$50,000.00, together with all costs, interest and reasonable attorney's fees;
- (b) An award of punitive damages to MEF
- (c) An award of such other and further relief as this Court deems just and proper.

Respectfully submitted,
